AmeriTrust®

Water Well Drillers

Water Well Drillers Insurance

This is a set of specialty insurance products developed to provide coverage for businesses working in the water well drilling/service/supply field.

Our products are designed for businesses that drill and service underground water wells for individual residences (municipal or private), industrial complexes and irrigation for farms.

Eligible businesses will be involved in site preparation, drilling wells, servicing existing wells (pulling, doing maintenance on and reinstalling submergible pumps) and well abandonment work (closing wells that are no longer used).

Accounts can range from individually owned operations with one drilling rig to corporations that run multiple rigs.
